

ARMY PUBLIC SCHOOL, SHANKAR VIHAR
CLASS XI (2021-2022) - HOLIDAY HOMEWORK

S.NO	SUBJECT	HOLIDAY HOMEWORK
1	ENGLISH	<p>Creating Comics on Living with the Pandemic and the Life thereafter It has already been a year long virtual learning, thanks to the coronavirus pandemic. The changes due to the shift from offline to online were either irksome, pleasant or both at times. Alas the teachers and the students alike have adapted to the new mode of teaching learning. When the new normal has become the routine, the offline mode of teaching learning returning soon has posed new doubts in our minds. Though all will be delighted to get back to the offline mode and meet real people, but the transition back to the original normal will see aftershocks of the online classes. .</p> <p>Using the Comic Strip Creation Tool - Make Beliefs Comix (http://goo.gl/pZj4) or any other app, create a comic strip of minimum 3 panels to maximum 5 panels on what life would be for the students post the pandemic. Watch the video tutorial on how to use the tool. https://www.youtube.com/watch?v=HoNQfUWWRMk.</p>
